DR. STRAUS, SURGEON DENTIST, WOULD inform the citizens of Louisville and its vicinity, that he has located himself here permanently, for the purpose of practicing his profession in all its various branches, after the latest and most approved style. Having practiced for the tast twenty years in New Orleans, I feel confident of giving satisfaction to every one who may knoner me with a call. I would call the particular attention of the public to my mode of filling teeth, which is done in such a manner as to get twice the amount of gold into a cavity, as done in the nsual way. I can, therefore, "guarantee "every tooth plugged in such manner to be as good as if never decayed. Artificial teeth inserted—from one to an entire set—not only for beauty, but also for use, with or without suction, such as the case may require. Teeth extracted with as little pain as possible, and all other operations pertaining to dentistry.

FIRE IN SHIPPINGSPORT .- Yesterday, morning etween ten and eleven o'clock, one of the old land marks of Shippingsport, the "Haunted House," was totally destroyed by fire, and disappeared forever. From the first appearance of the flames from the roof, until the whole fabric was reduced to ashes, but thirty-five niuntes elapsed. It was an old two-story frame louse, with a double porch fronting the river, and had been a sort of ruin ever since the days of ferry Phipps, though a portion of it was occupied by a fisherman, who paid an annual rent of one franc for occupying the premises. The house was the property of Mr. Blancagniel, we believe.

CRIMINAL COURT.-John Sweeuy, as will be seen y the report of the criminal proceedings, has been seutenced to six years imprisonment in the enitentiary, for killing Caspar Fenn. This has ually been regarded as a cold-blooded murder. nd the impression was that it would be a hangng case. The records of our courts show that nurder is rarely punished in Louisville.

Wm. Johnson, who killed a man named McKim, the Pacific at Portland, last spring, was tried Saturday. The jury could not agree, and were scharged. Six were for a verdict of manslaugher, and six for acquittal.

A. R. Coleman gave bail in \$1000, with Capt. sey, Col. Holt and J. M. Key as sureties. The case of James McMullen will probably be

A TEN MILE RACE AT OAKLAND .- Novelty seems be the bent of the fertile mind of Captain John ravis, who, it would seem, intends to acquire as auch celebrity in sporting matters as in pistol oting. A number of horses are expected to go, and with a fair day, the largest crowd for years ill assemble on the Oakland track

To add to the interest, Capt. Brannon's famous allion John C. Breckinridge, by Napoleon, out f a thorough bred mare, will show his speed and splendid action. This is the horse that made the ine of 2:43% on the Fair Grounds track recently. overs of fine horses should be present by all

SONS OF MALTA - BENEFIT AT THE THEATER. - The ons of Malta" have arranged for a benefit at Theater, on Tuesday night. The institution s purely philanthropic in its purposes, and the benefit in question is in fact for the poor of Louisvilla It therefore, of itself, appeals to the generous heart of every citizen. We know it will meet with a response worthy of the high philanbropy that dictates the move.

Miss Susan Denin, the actress, with commendthe benevolence, has volunteered her valuable ervices, and will appear in Celeste's beautiful clo-drama of the "Green Bushes," and with callan, also play in the "Son of Malta.' This

The Baltimore Municipal Election.

The Exchange of Thursday, says: Yesterday the city of Baltimore was again dis-raced by the mockery of an election. At an ear-hour in the day it became manifest that no fair

spect to the choice of municipal officers, would be permitted by the bands of armed and lawless ruffans who took and maintained possession of the polls. The police made no effort to protect citiens in the exercise of their rights of suffrage, but remained unconcerned spectators of the violence to which they were subjected. Under these circumstances; at the hour of noon, Col. Shatt, the Independent candidate for the marorality, finding it impossible for those favorable to his election to approach the ballot-box without the risk of incurring great personal danger, issued the following address.

Fellow Citizens: It being now clearly manifest that a deliberate purpose now actuates the Mayor of this city to countenance the general combination which now prevails between his poloce and the armed bands of lawless men who have, since the opening of the ballot boxes, held possession of the polls, to the exclusion of all voters opposed to Mayor Swan, and it being urged upon me by many of our best citizens, that any persistent attempts to yore, upon the part of my friends, can only be attemded with loss of life, and the general disorder of the city. I tred it my duty to yield to their judgments, and withdraw my name as a candidate for Mayor.

We will not suffer ourselves, at this time, to hake any comment upon the melaucholy condition of affairs which the scenes and incidents of yesterday so fully discussed. It is just the nearreal

yesterday so fully disclosed. It is but the natural consequence of the encouragement that has been given to lawlessness for years past, and of the perfect impunity with which it has been best permitted to flourish under the auspices of the present numerical administration. It has already brought the grand name of our city. the good name of our city into disrepute, and the stigma is destined to remain until the indignation of the cilizons shall be aroused to suppress the reckless and sanguinary exercises we have so frequently had occasion to denounce, and to vindicate the laws which have been so often and so shamelessly violated. shamelessly violated.

COLD BLOODED MURDER. - We learn of one of COLD BLOODED MORDER.—We learn of one of the most cold blooded murders having been perpetrated in Johnson county, on Monday last, that it has ever been our duty to record. This is an increase of 10 on the number of the previous week, when they were 380.—There is no doubt whatever that the persistence and increase of the disease are attributable to the constant influx into the city of persons liable to it. The New York Tribune, the leading organ o the free nigger party, claims the result of the election in Pennsylvania, Obio, and Indiana as a victory won by a combination of Black Republicans, Americans, and Douglas Democrats, led by Forney against the Democracy. The following extract from the Tribunc is a specimen of Greely's mode of thicking upon this subject.

Let us not misstate nor overstate this triumph. The Republicans have nobly contributed to it but they have not alone achieved it. The great body of the Americans have heartly co-operated with them, and the elaborate attempt to draw off votes on "Straight American" tickets in Philadel-phia have had little effect. The union for Free Territory, Pure Elections and Protection to Home Industry, was too licenty and solid to be shaken by the tricks of demagogues bought and owned by the common adversary. But the Republicaus and Americans united

the republicaus and Americans united could not have wen so sweeping a victory without the powerful aid of the Douglas Democraey.—
These faithful devotees of the doctrine of Popular Sovereignty, organized and led by John W. Buckanan is routed in Lie own State, and Federal subserviency to Slavery Prepagandism has received a blow from which it will not soon recover. All Hail, Free Pennsylvania.

A Fair and Important Question.

Gov. The enterprise will not se by the absence of his logic from the newspapers, but we hope he will not preserve so absolute silence as to refuse to answer certain questions that will be put to him hetween now and the 6th November. If he will answer our questions fairly and squarely, and permit the auditor to make a report upon the condition of our city finances, we guarantee that the ordinance appropriating \$300,-00 to his Memphis branch will be suspended until the untangled city finances are straightened at, until the main stem of the Louisville and Nashville Railroad is out of trouble, until the sople here are satisfied as to the best route to demphis, and until the expiration of the two years which are to expire before any use is made of the money he now asks Louisville to appro

THE attention of dealers in Drugs and Medicines, and persons afflicted with Chilis and Fever, or Agne and Fever, or agne and Fever, or agne and Fever, or agne and for many years has maintained its superiority over all other remedies, as a safe, certain, speedy, and permanent cure for Chilis and Fever, or Agne and Fever.

The public may rely upon the fact that it is entirely vegetable in its composition, and made from the best, purest, carefully selected reliable articles, and is always prepared by the proprietor in person, and, therefore, he can warrant it uniform in quality. rant it uniform in quality.

Its Disphorelic and Alterative properties, combined with its great Tonic qualities, render it eminently superior to be administrate.

Quinine, and other remedies, as a general and popular remedy in all cases where a Tonic is required and proper to be administrate.

pulmins, and other remedies, as a general and popular remedy in an ease, where a route is required and proper to be administred.

It does not produce Headache, Giddiness, Bassing of the Ears, or say of the unpleasant effects which so frequently attend the use of Quinine, or other remedies, but may be given in all cases, and under all circumstances whatever, to Females, Iniants, and all persons who are the most delicate constitutions, without the least apprehension of any injurious or even unpleasant effects.

Practitioners of medicine who have not prescribed it, and affilted persons who have not used it, are respectfully invited to give it but a fair trial, and they will then be convinced of its great superiority over other remedies and that it possesses all the virtues claimed for it.

It is not only perfectly safe and innocentin its effect, but in no case whatever has it been known to fail in curing Chills and Fever, or Ague and Pever, whether of short or long standing, if the directions were strictly followed and carried out.

Chills and Fever, or Ague and Fever, whether of short or long standing, if the directions were strictly followed and carried out.

This medicine has become a staple remedy, and for yearshas been extensively used throughout the States of Kentucky, Tennessee, Alabama, Mississippl, Louisiana, Tevas, Arkansas, Missisri, Illinois, Iowa, Wisconsin, Ohlo, Indiana, Nebraska, Pennesylvania, Michigan, sndt Californis, and more lately in Kansas Territory, and has permanently cured near 2,000,000 of cases in all its varied forms and conditions, many of which were from one to three years' standina, and had resisted all the usual remedies known in the country, and in no case did it fail to make a perfect and permanent cure where the directions were properly followed. Such its invariable success that it has gained the confidence, favor, and patronage of a large number of respectable practitieners of medicine throughout the country, who prescribe and administer it in preference to Quimine and other remedies.

Persons living in districts of country subject to Chills and Fever, agae and Fever, or Billious Fever, would do well to keep a constant supply of this invaluable remedy always on hand.

The propeletor has in his possession a large number of certificates and other testimonials from persons who have used this medicine, as well as from Physicians, Drugsists, Apothecaries, and other dealers in medicine, attesting its superior virtues as a curative in Chills and Fever, or Ague and Fever; and he could obtain many thousands more, or enough to fit a large volume, but does not deem it necessary, as it is aircraft extensively and favorably known to the public generally.

CINCINNATI, Oct. 16 .- Further returns from Indianapolis indicate the election of the Democratic State ticket by from one to five thousand majority. Official returns from thirty counties have been received. In the legislature the opposition will probably have a small majority.

From Washington.

Washington, Oct. 16.—Lieut. Joues, the bearer of the Mexican dispatches, has placed in the possession of the State Department a letter from the U. S. Consul at San Louis Potosi, who describes the state of the country as miserable in the extreme. The report of the recent hattle between Vidaurri and Miramon rested on a very slender basis. A skirmish may have taken place outside of the walls of San Louis Potosi, but nothing more. Still less was there any probability that Miramon had committed suicide.

We still keep a full supply of the New and Improved Scale of Chickering & Son's Grand, Paulor Grand, and Square Pianos, and as we are Cash Desiers in them, we can sell them usnaually low for cash. Instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on soricity scientific principles after the manner of the celebrated Holland Professor, Berhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fatherland scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal vitrues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally Instantaneous in effect, it finds its way directly to the seat of hie, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing now health and vigor in the system.
